

# ART PROGRAM FOR ADULTS

Kidogo  
ART INSTITUTE

## Creative courses by the sea.

Kidogo Art Institute runs on-going 6 week art courses for adults. Our tutorial style of teaching helps students of all levels master a variety of painting and drawing techniques, deepen their understanding of design fundamentals and develop their own style. Instruction includes the best techniques of drawing with charcoals, inks and painting with oils, acrylics, gouache and watercolours.

You can join any time as our tutorial style provides individual attention. Unlike other art programs, the Kidogo Art Institute Adult Art Program offers students the rich experience of developing excellent skills in a warm, friendly and encouraging environment. Many of our students return session after session and year after year.

Art materials can be purchased at Kidogo Arthouse or you may bring your own.

Encourage your art in a warm and inspiring environment

Kidogo Art Institute, Bathers Beach, PO Box 998, Fremantle WA 6160
